**Report**

**Membership Report**

**Authored by Kristeen Johnston**

**Membership Convenor 2024-2026**

**April 2025**

## Membership Convenor's message

Today's world is one of rapid change, with huge challenges but also great opportunities. Various media present us with a constant flow of information, little of which is good news, so much more bad news of troubles, disasters and need.

Within this troubling environment we may question what it means to be a Soroptimist? In our modern age while the ongoing trend is for service clubs like ours to lose relevancy, the feeling most Soroptimist members have, is that in 2025 we should be even more relevant to all women and girls.

We should remind ourselves that being a Soroptimist, through club membership and fellowship, we can form and maintain important relationships and have a positive impact on their communities. Soroptimists of all ages and diverse countries are proud to be part of an international organisation that endeavors to improve the lives of women and girls. Our membership offers opportunities to live a life through advocacy, meaningful projects and action, at a local, national or even an international level.

On a daily basis our amazing Soroptimist members, through strong connections and friendships, continue to fill gaps in meeting essential social needs, supporting sustainable living, environmental activities, closing inequities and keeping women and girls safe, all with advocacy and action.

**We wear our Soroptimist membership with pride.**

## The Membership Team

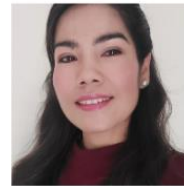

- Kristeen Johnston QSM, Membership Convenor (New Zealand)
- Elizabeth Butson AM – Assistant M C – Australia (Australia)
- Jane Stent – Assistant MC – NZ/Pacific – (New Zealand)
- Linna Khorn – Assistant MC – Asia (Cambodia)
- Eileen Middleton- Friendship Links Coordinator (New Zealand)
- Anthea Penny – Director – President Elect (New Zealand)
- President Joanne Yeoh (Malaysia) (Ex officio)

Kristeen Johnston QSM,  
Membership Convenor

Elizabeth Butson AM -  
Assistant MC Australia

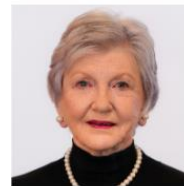

Linna Khorn  
Assistant MC – Asia

Jane Stent  
Assistant MC – NZ/Pacific

Eileen Middleton  
Friendship Links Coordinator

Anthea Penny  
Director – President Elect

Joanne Yeoh  
President (ex-officio)

The Membership Committee meets across the time zones to plan and implement the Membership Section of the SISEAP Strategic Plan 2021 – 2026

Please note at the time of writing this report, membership data numbers are based on YE 2024 vs March 2025 YTD.

Total Clubs 125 as at March 2025. (Refer Table 1 below).

	2025 YTD	2024 Year	2023 Year	2022 Year	2021(nov)
<b>Total Clubs</b>	<b>125</b>	<b>129</b>	<b>129</b>	<b>131</b>	<b>129</b>

Although some clubs in Australia have a larger membership, the typical Soroptimist club is relatively small with about 15 members on average.

SISEAP HQ reported on 3<sup>rd</sup> April 2025 that 22 clubs (223 members) were un-financial and still to finalise membership returns.

Strategic Plan 2021 to 2026

1. Increase membership numbers

Strategies																																															
<p><b>Develop and engage all SISEAP clubs in recruitment strategies</b></p>	<ul style="list-style-type: none"> <li>It has been forecast for some time that <u>there will be a continued slow decline in SISEAP membership.</u> This may be that most clubs in SISEAP have an aging membership, which together with financial (membership fees) and social restraints (cost of living crisis and post Covid years) may make recruitment/ retention strategies difficult.</li> <li>Since 2021 total membership has dropped by some 398 (18.5%) despite recruiting new members (Refer <b>Table 2</b>).</li> <li>It is of great concern that the first 3 months of 2025 show a substantial drop of 226 members or 10.7%. However, it may be too early in the year to confirm this serious adverse trend.</li> </ul>

<b>Value &amp; celebrate members</b>	<ul style="list-style-type: none"> <li>• At the SISEAP Federation May '24 conference Life Membership recognition of service certificate of appreciation and letter was given to Jane Zimmerman 1982, Margaret Lobo 2014, &amp; Lorna Mead 2023.</li> </ul>																																																																																																																																											

Strategies	
	<ul style="list-style-type: none"> <li>To celebrate Recruitment &amp; Retention clubs were invited to enter the Best Practice Awards for 2024. Winners will be announced at the SISEAP AGM in May 2025. Category nominations for Recruitment and Retention comes with AUD\$ prizes as an incentive to apply. Successful participants will also be awarded with Best Practice Certificates for Diversity, Innovation, and Friendship Links</li> </ul>
<b>Provide tangible benefits for belonging</b>	<ul style="list-style-type: none"> <li>On 13<sup>th</sup> April the MC team organised a SISEAP Webinar featuring 5 Soroptimist clubs presenting on 'Together we Thrive – Real Stories of Membership Success'. Australia, New Zealand and Asia success were represented.</li> </ul>
<b>Increase members' engagement with all aspects of the Soroptimist movement</b>	<ul style="list-style-type: none"> <li>Over 2024 -25 there was a notable increase in SISEAP social media posts. Across all regions and countries there was a strong presence of club celebrations, activities, projects and fellowship.</li> <li>These included social media posts on United Nations days; International Women's Day, World Environment Day, International Day of the Girl Child, Elimination of Violence Against Women and the SISEAP Membership Month. Over 2024 -2025, Aotearoa New Zealand had a strong campaign with their National Project, Raising Awareness of Ovarian Cancer.</li> </ul>
<b>Dual Membership</b>	<ul style="list-style-type: none"> <li>Dual membership encourages service across clubs, and is particularly attractive to those who wish to give extra Soroptimist service at the grassroots level.</li> <li>By encouraging Dual membership, clubs will get the support and guidance they need, in order for it to survive and thrive.</li> <li>Dual membership of the Sisters on Line club offers a diverse membership with innovative ways to virtually connect e.g. an advocacy letter writing project.</li> <li>There remains opportunities to grow this new membership category YE 31<sup>st</sup> December 2024-16 vs March 2025-18.</li> </ul>
<b>Support Clubs</b>	<ul style="list-style-type: none"> <li>Over 2024 the Assistant MC NZ/Pacific joined SI Lower Hutt as a dual member (as President) to help support them to survive. In spite of this assistance, members voted to close.</li> <li>In 2024 the Assistant Convenor Australia (in consultation with clubs) proposed to change Membership month from October to April. The Membership team agreed, as it offered a longer period for new members to settle in before the year end.</li> <li>With the Management Committee's help club resources, a Membership Manual, Muriel Barber Handbook and forms, and the Establishment of Clubs were updated and uploaded to the SISEAP website. A leadership manual is undergoing an update and is due soon.</li> <li>Membership participated in updating and designing the popular Tri-Fold brochure for promotional material for clubs.</li> <li>With virtual meetings a SISEAP team was established to plan for and assist SI Samoa and potentially attract new members. (Further info in Asst MC NZ/P report below).</li> </ul>
<b>A focused lens on membership &amp; leadership.</b>	<ul style="list-style-type: none"> <li>The largest cohort of SISEAP members are 50 – 70 years old, with often over 30 – 45 years of Soroptimist service. It is also our most vulnerable cohort.</li> </ul>

Strategies	
	<ul style="list-style-type: none"> <li>Retention of these members should not be overlooked as they hold important intellectual property of the organisation and their wisdom can help fellow and new Soroptimists feel at home, call it ‘their kindred tribe’.</li> <li>A worrying trend is that members are reluctant to take on club officer positions. This may be down to a number of factors, more women in full-time work for longer, women struggling with a work /life balance, increased demand as a family carer or competition with other women’s service clubs, e.g. Zonta, Professional Business Women, Rotary.</li> <li>We have largely recognised that to recruit members we must adapt to attract them, and retain them, i.e. fewer formal meetings, more diversity, flexible hours for gatherings, social events mixed/balanced with meaningful activities and projects with measurable outcomes. Along with a realistic expectation of time available for membership.</li> <li>The good news in that it is well known that fellowship and social connection (that Soroptimism may provide) can be extremely important to our overall wellbeing.</li> <li>The values and vision of Soroptimists never diminish. Neither does the work we must continue to do to make the world a better and safer place for women and girls</li> </ul>
<p>Provide membership training on leading in the volunteer sector</p>  <p>Thriving Futures</p>	<ul style="list-style-type: none"> <li><b>Highly Recommend Soroptimists to attend the Thriving Futures workshop course!</b> That was the clear message from eleven Soroptimists from eight clubs across Aotearoa New Zealand after they attended the 15<sup>th</sup> – 17<sup>th</sup> June 2024 course held in Wellington.</li> <li>Soroptimists some very experienced, some relatively new, came from a mixture of clubs across our National Region. However, we all had the same goal, to learn from Anthea Penny the Facilitator and each other, on how we can re-energise our Soroptimist clubs to retain and build our membership. We scored the program very highly; the overall evaluation results were 94.8%.</li> <li>Each participant was challenged to develop and execute a membership project, i.e. to retain and increase membership.</li> <li>In 2024 a highly successful workshop with 16 attendees was held in Geelong for SI Victoria. The overall evaluation results were 95%.</li> <li>Comments from the workshop. ‘I’ve learnt so much more about the region through this process’. ‘The people attending have enabled me to find others to join and move forward’. ‘Thank you, I think this work keeps me young’.</li> <li>A workshop in Fiji is planned for later in 2025</li> </ul>
<p>Assistant Convenor NZ/Pacific Annual Report: Jane Stent</p>	<ul style="list-style-type: none"> <li>In March 2025 SIANZ has 18 financial Clubs – down from 19 in 2024.</li> <li>SI Lower Hutt has formally closed. They have notified HQ and the Directors and this decision has been accepted. The Club members voted to offer their Club insignia to SI Wellington in recognition SI Wellington’s role in their charter. All funds have been dispersed and the paper war to deregister from the NZ Incorporated Societies has been completed. One member has become a Linked member of SI Kapiti Coast.</li> <li>There are 7 SIANZ Clubs with less than 10 members. These clubs are on the SIANZ Membership Committee’s radar, and will be offered support to grow their numbers this year. There are 5 clubs with membership between 10 and 20, and there are 6 clubs with over 20 members.</li> </ul>

Strategies	
	<p><b><u>SI Samoa</u></b></p> <ul style="list-style-type: none"> <li>• At the end of 2024 SI Samoa was struggling to remain a viable club. With CHOGM being hosted in Samoa it was an opportunity to promote SI.</li> <li>• SISEAP IPP Christine Johnstone and SISEAP Programme Convenor Dr Donnell Davis along with the SISAEP Membership Convenor Kristeen Johnston and Assistant Convenor NZ/P had numerous meetings with the members from SI Samoa.</li> <li>• A MBF application was submitted for publicity materials and a new banner. The Samoan club worked very hard promoting themselves over CHOGM. A successful radio interview and the reception for SI President Siew Yong was a wonderful event.</li> <li>• This action has rejuvenated SI Samoa with 17 members being financial at the end of February 2025. Thank you to the HQ team for assisting with this.</li> <li>• The SI SEAP membership team will continue to assist with the administration and PFRs etc during 2025.</li> </ul> <p><b><u>SI Fiji</u></b></p> <ul style="list-style-type: none"> <li>• SI Rakiraki and I Labasa club are struggling to retain members.</li> <li>• Asst MC NZ/P assisted Rosa from SI Suva with the process of paying Federation fees.</li> <li>• It has come to our attention that Pacifica Clubs find difficulty in determining the Federation fees when it is in AUD due to the vulnerable exchange rates. Asst MC NZP has advised SI Fij to set the rate for all clubs in that region.</li> </ul> <p><b><u>SI PNG</u></b></p> <ul style="list-style-type: none"> <li>• The Asst MC N/P has only heard back from SI Port Moresby, they have 17 financial members for 2025 with 2 still to pay. 11 have renewed and 6 new members.</li> </ul>
<p><b>Asst Membership Convenor Australia Report: Liz Butson</b></p>	<ul style="list-style-type: none"> <li>• Many Australian clubs have been proactive in the recruitment and retention of members, resulting in stable membership numbers.</li> <li>• The Region Membership Extension and Training Coordinators have met on a regular basis, sharing experiences and ideas for the support of members throughout Australia and the Federation.</li> <li>• The ageing membership continues to be of concern, and we need to look at attracting younger members. There has been no club charter and one club closure during the year.</li> <li>• Members have been grateful for the update of publications on the website.</li> </ul>
<p><b>Asst Membership Convenor Asia Report: Linna Khorn</b></p>	<ul style="list-style-type: none"> <li>• Soroptimist International (SI) in Asia has seen some increase in membership, particularly in countries like Cambodia and Malaysia. This growth reflects the expanding impact of SI's mission to improve the lives of women and girls through education, empowerment, and advocacy.</li> <li>• To further this momentum, we were exploring the establishment of a new club in Vietnam. We tried to identify a contact person in Vietnam for this initiative. We found a professional lady named Tien Trinh who we had several consultative meetings with, trying to explore the possibility of SI club establishment in Vietnam.</li> <li>• Based on the discussion of the meeting, establishing a club in Vietnam presents challenges due to government policies and economic conditions.</li> <li>• The new U.S. administration's suspension of foreign aid has severely impacted civil society employees, as many projects funded by U.S. government money were</li> </ul>

Strategies	
	<p>terminated. People have been stressful with losing their jobs and also it has made it difficult to find people who have commitment toward SI in this hard situation.</p>
<p><b>Friendship Link Annual Report: Eileen Middleton</b></p>	<ul style="list-style-type: none"> <li>• Since assuming the role of SISEAP Friendship Link Coordinator 2024-2026 at the beginning of May 2024, after a period of time in which the role appeared to have been inactive, the priority has been to re-establish the protocols and systems around this role, to ensure the appropriate management, operation and recording of requests for friendship links within the SISEAP Federation.</li> <li>• I am pleased to report that, while this remains an ongoing process, I am confident that we are now in a position to be able to successfully link like-minded clubs both within and outside of the Federation, and to keep an accurate record of both historical and newly formed friendship links.</li> </ul> <p><b>The main steps taken to achieve this include:</b></p> <ul style="list-style-type: none"> <li>• Working with the SISEAP team to update the required application form and process, as well as to gain editing access over the SISEAP Friendship Link Database. This saves double-handling and enables better review on my part.</li> <li>• Asking all clubs, via the eBulletin, to use the online process available on the Federation website to request both changes on the database and new friendship links. This includes any requests from the previous year that may have been overlooked. For the most part this is working well and I believe it will continue to improve with ongoing reminders.</li> <li>• Ongoing review and update of the SISEAP Friendship Link database. A first review has been completed and will be looked at again in view of club changes at the end of 2024. I am currently working also through a list of linked clubs with the SIGBI Friendship Link Coordinator and will be in touch with respective clubs to update any links as need be. I intend to do this with the other Federation Friendship Link Coordinators also.</li> <li>• I am pleased to report that since May 2024, seven of our Federation clubs have had friendship links confirmed, all with clubs outside of the Federation, with a further seven potential links currently under action. A SISEAP Certificate of Friendship has been issued to those Federation clubs and their linked clubs on confirmation of their friendship links, with the Federation database updated accordingly.</li> <li>• I am encouraged by the number of clubs applying for friendship links and look forward to watching their friendships grow, along with potential for joint projects, visits and celebrations. Going forward, I would like to see a means of linking this information to the Federation project data base where applicable.</li> </ul> <p><b>My priorities going forward continue to be:</b></p> <ul style="list-style-type: none"> <li>• Ongoing review and update of the Friendship Link Database to delete those clubs that no longer exist and list new clubs, along with entering those changes in friendship links which have been advised to me. This includes liaison with the other Federation Friendship Link Coordinators.</li> <li>• Continue to follow up with individual clubs in the Federation as to the status of their friendship links and to identify projects that exist between the linked clubs.</li> <li>• Continue to follow up those friendship link applications that are underway and to see these confirmed.</li> <li>• Continue to set up the files and folders in Google Email and Drive to enable ease of access going forward.</li> <li>• In the longer term, work through emails prior to May 2024, to follow up any that remain outstanding.</li> </ul>

Strategies	
<p><b>Soroptimist Sisters Online Club – 2024 Update</b></p> 	<ul style="list-style-type: none"> <li>• The Soroptimist Sisters Online Club continues to grow and evolve, maintaining a steady membership of 12–16 members, with increasing interest from Vietnam.</li> <li>• While six members now come from Vietnam, challenges such as English as a second language, the complexities of setting up a standalone club, and time constraints have slowed progress toward an independent Soroptimist presence in the country.</li> <li>• Operating across multiple time zones, Australia, New Zealand, Vietnam, and China presents logistical hurdles, as do the complexities of handling different currencies and exchange rates. Despite this, the club has remained active and engaged.</li> <li>• A highlight of the past year was our successful 16 Days of Activism campaign, which increased engagement on our Facebook page and we provided valuable advocacy support to Soroptimist clubs in New Zealand and Australia. By drafting letters for clubs to send to local MPs, we contributed to a unified effort to raise awareness and push for action to end violence against women.</li> <li>• We have also strengthened our connections with Friendship Link clubs, particularly Canada West Online, collaborating on two well-received online events. These partnerships continue to enrich our members’ experience and expand our global impact.</li> <li>• Looking ahead, we remain committed to fostering inclusivity, supporting advocacy efforts, and providing a strong online presence for Soroptimists who may not have access to in-person clubs.</li> </ul>

## Recommendations

It is recommended that a 12 month Membership Strategic Plan be completed to be submitted to the Directors for their June/July Meeting. This plan with actions to be taken to address the rapid decline in the membership numbers.

Membership March YTD	2025 YTD	% Total	Change	% Change	2024 Year	% Total
New South Wales	192	10.2%	-31	-13.9%	223	10.6%
